

## 2012 - Game of Life

khel hai jeevan ek maje ka khel to niyam ko jaan  
dukh na hoga tujhe kbhi bhi sukh anubhav ho mahaan

*Come on, play the game of life; Have fun with the joys that come with life  
Follow the rules and play the game; It's cool to thus rise up in fame.*

jeet kabhi ho phool na jana haarey bura na maan  
kheltey rehana kaam tumhara satya yahi pehachaan

*Come on, play the game of life; Have fun with the joys that come with life  
Face each ball like it were the last, take your runs and forget the past.*

jo kuch tere paas hai uska karna nitya hi daan  
kami na hogi tujhe kabhi bhi dhaata hai bhagawan

*Come on, play the game of life; Have fun with the joys that come with life  
If the Lord has sent you a tough ball, he'll give also the strength of a wall.*
